What is time? The shadow on the dial,
the striking of the clock, the running of
the sand, day and night, summer and winter,
months, years, centuries—these are but
arbitrary and outward signs, the measure of
Time, not Time itself. Time is the Life
of the soul.

Longfellow

DEDICATION

"Are you proud to be Bulldogs?" Yes, we are! Since you came to Redbank Valley three years ago, we have become aware of the great pride we have for our school. In order to make every student feel that his participation is important, you established a "twelve man" football team, and also gave the student body leadership in your health classes and in your tenth-grade history classes. Your friendship and guidance have been invaluable to us, and for this reason we, the Senior Class of 1968, dedicate to you, Coach Robert D. Hepler, our Vallis.

IN MEMORY OF...

Miss Helen Mitchell and Mr. Robert Cannon who lost their lives in a tragic automobile accident on May 10, 1967. Their many contributions will always be remembered by the student body, faculty, and administration of Redbank Valley High School.

MISS HELEN MITCHELL

Although it was Miss Mitchell's first year at Redbank Valley, many of our class were members of the Senior Dramatics Club and National Thespian Society which she sponsored.

MR. ROBERT CANNON

Mr. Cannon, during his ten years of service here, was a special friend as well as geography teacher to us as seventh graders. He also sponsored the Junior High Science and Chess Club for several years.

EXCHANGE STUDENTS

Pamela Keener, Redbank Valley's second Foreign Exchange Student, went to Sao Paulo, Brazil, during the summer of 1967.

She stayed at the home of Mr. and Mrs. J.A. Bittencourt Couto, and attended school there with her 17 year old twin brothers, Oscar and Plinio. She also made many sightseeing tours, among them, a two-week stay in Rio de Janeiro.

She enjoyed her stay very much and became very fond of her foster family. Pam hopes that all Foreign Exchange students in the future will have as an exciting experience as she did.

Eliane Frossard was Redbank's Foreign Exchange Student from Sao Paulo, Brazil. She arrived on December 21, 1967. During her stay she lived with Pam and visited many different points of interest such as Niagara Falls, New York City and Washington D.C.

This was the first time that Eliane had seen snow and she was fascinated by it.

She returned to Brazil on the 7th of March, wishing everyone the best of luck and thanking them for making her stay so enjoyable.

It was very nice to be a Redbank Valley's exchange student, you were very good for me and I'll always remember you.

Our rings are a symbol we're seniors at last—
 Eleven years waiting, so quickly have passed.
 A sparkling ruby, a setting of gold—
 Memories of our year forever will hold.
 Three small initials engraved on the band
 Lost in angora on a tiny hand.
 What's special to us, what makes them great?
 The best part of all—our own '68.

"Time Out For Ginger" centers around Virginia Carroll, played by Karen Gruver, who causes an uproar by joining the school football team. Her father, played by Larry Gourley, a bit unorthodox himself, finds this completely delightful, but Terri Shumaker as Mrs. Carroll is not quite sure what to make of the whole situation. Ginger's two older sisters, Karen Minich and Sue Conrad, add to the confusion by petitioning against gym classes for girls.

Gary Snyder, Howard's boss at the local bank, is infuriated by the nationwide publicity, but John Mateer, the school principal, is more concerned with the local state of affairs and the attitudes of the students as represented by Mark Burford and Roger Shumaker.

Vickie Blose, the housekeeper, seems to enjoy all the fuss and fury as she backs Ginger's cause. The production certainly would not have been a success without the capable direction of Mary Conrad and Robert Singer, the student direction of Carole Minich, and the stage management of Pat Shoemaker.

FAREWELL

Twelve years is a long time

—too long to forget.

We look around and ask

—where did it go?

We worked, we played

—but for twelve years?

Then we look the other way

—into tomorrow.

Suddenly we're not so tall

as we thought we were

And not so smart.

But we find that somehow

We learned a decisive lesson at Redbank:

something we wouldn't have had

without the teachers and friends,

without God or religion

— a direction into that uncertain tomorrow.

It can never be so dark again

Though the world may change

and the times change

and we change.
